# PATEL PRAGNESH

Senior Web Designer

## ABOUT ME

Over the past five years, I've grown from designing simple interfaces to creating scalable, user-centered digital experiences. Through continuous learning and hands-on problem solving, I've developed expertise in clean UI design, responsive layouts, design systems, and thoughtful interactions. I believe great design goes beyond aesthetics—it simplifies experiences, builds trust, and helps users achieve their goals with confidence.

## EDUCATION

VNSGU | 2015 - 2018

**Bachelor of Computer Applications**

Shantiniketan Vidhyavihar | 2013 - 2015
